

# Dress to *Impress!*

**Caps** should be worn with elastic in the back.

**Tassels** should be worn on the right side.

**Medallions** should be worn under stoles and honor cords.

**Stoles** should be worn over the shoulders, with the “V” at the back of the neck. More than one stole? Pin them in place to ensure each one can be seen.

**Honor cords** should be worn with two cords draped over each shoulder. Ends of cords should be even. Place honor cords on top of stoles.

Stoles and cords can move quite easily, so ask a volunteer to help pin yours in place!
