

Canvas Vendor Adding Steps

Hawkes Learning

[Hawkes Learning | Support | Canvas Sync and Single Sign On](#)

1. Modules
 2. Click the “+” icon on the module you wish to add content to (Click “+ Module” to create a new module)
 3. Select “External Tool” from the drop down
 4. Scroll to find and click on “Hawkes Single Sign On” or “Hawkes Sync Tool”
- NOTE: “Hawkes Single Sign On” is for students to access Hawkes; while “Hawkes Sync Tool” should be left “unpublished” (default) so students don’t see this. Access the link above for more info.

MacMillan Learning

[Instructors: Integrate Achieve courses with Canvas](#)

[Instructor: Integrate LaunchPad courses with Canvas](#)

MacMillan Learning Tools

1. Settings
2. Navigation
3. Drag and Drop “MacMillan Learning” from hidden/disabled items to course navigation (scroll down to find)
4. click “Save” at bottom of page
5. Click “MacMillan Learning” in the left Navigation Bar you just set.
6. Click “Connect with Achieve” or “Connect with Launchpad” (whichever product you use, this step must be completed before you can add content to your Canvas site)
7. Follow steps in the guides above for MacMillan specific steps

MacMillan Content

To add Assignments, graded items etc, follow the guides in the links above as you must do this from within MacMillan. To add a MacMillan Link to the Macmillan Home page and/or Ebook, follow the steps below.

1. Click "Macmillan Learning" in the left navigation menu,
2. "Macmillan Content"
3. Select your desired links; “Achieve Home”, “Achieve E-book”, and/or “Student Registration - Start Here”
4. Select desired Items “Achieve Home”, “Achieve E-book”, and/or “Student Registration - Start Here”
5. Click "Next: Choose Location"
6. From the drop down, select the desired Module(s) you wish to deploy the links to.
7. “Deploy Selected Content”
