

Faculty Quick Start: PlayPosit

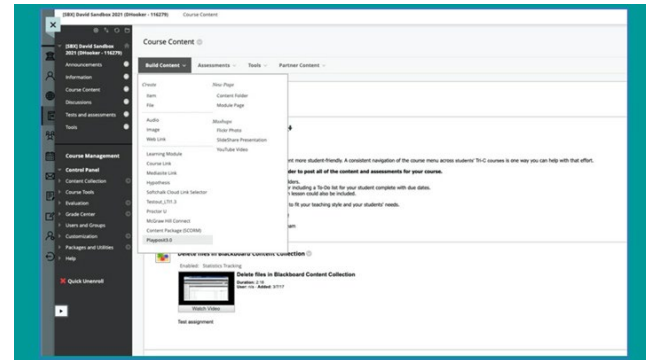

Updated 7-27-22

Request a PlayPosit Account: Olat@tri-c.edu

01 PlayPosit assignments in Blackboard

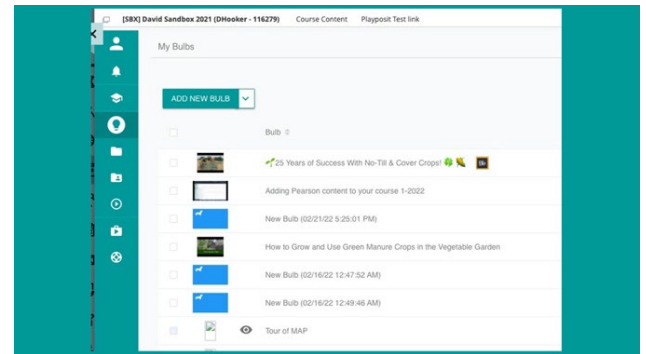

1. Navigate where you want the assignment link
2. Choose **Build Content** and select **Playposit3.0**
3. A pane will open, offering options for assignment name, description, point value, release conditions.
4. Choose **Enable Evaluation** and designate points if you want to sync Bulb scores with Blackboard gradebook.
5. Select **Submit**

02 Set a PlayPosit link to a Bulb

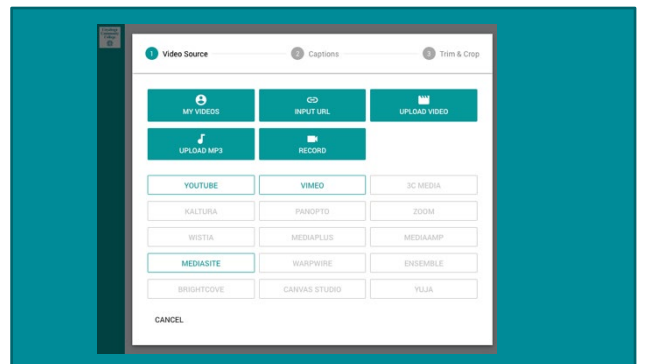

1. Click the PlayPosit link you created and choose **Set link**
2. **Existing Bulb assignment:** navigate to the Bulbs list. Select **Set Bulb Link** from the **Action** menu.
3. **New Bulb assignment:** choose **Add New Bulb**
4. If prompted, choose **Self Paced** for the course type. Instructor led synchronous Bulb viewing experiences can be created using the **Live Broadcast** option, available in the **Action** menu.

03 Create a new Bulb assignment

1. Select **Add a New Bulb** and choose a video source. You may supply a URL or search Vimeo, YouTube, and your Mediasite videos.
2. Select the video you wish to use and hit 'Done'.

05 Add multiple videos to a Bulb

1. Open the bulb in the Edit mode and select the Video Segments tab.
2. Select Add Video to include additional videos in the Bulb. Students see all videos and questions in the same browser window.

06 Review and save your work

1. Choose the **Review** tab in Edit mode to access **Settings**
2. Title, Learning Objective, Tags, Playback Options (interaction settings), and Privacy settings are available.
3. Select **Save and Exit** when you are done editing.

07 Assessment and grading

1. From Blackboard: Click the Bulb link and select **Monitor**
2. From PlayPosit: Select the **Course** tab
3. Right click on the bulb image or select **Monitor** from the Action menu.

From PlayPosit: Select the **Course** t

4. Select **Sync Grades** to send scores to Blackboard.
