## In PlayPosit

1. Select Set Link.

& Learning Excellence | Created by David Hooker | May 2024

- 2. If your PlayPosit video Bulb has already been created, locate the bulb in the Bulbs tab. If needed, use the Filter option to help search for your own bulbs.
- 3. To filter your own bulbs, select Filter, then choose Bulb Role and Select the Owner checkbox in the filter pane. Select the Filter button at the bottom of the pane to enable the setting. You may need to stretch the frame's bottom right edge to reach the filter button on some web browsers.
