

# Set up Extra Credit (Bonus) Quiz Questions and Grade Book Settings

Faculty set up a variety of types of extra credit quiz questions, called bonus questions in Brightspace. The following steps will walk you through the process to set up extra credit (bonus) questions. Each part of the steps must be completed so that grades will be calculated correctly.

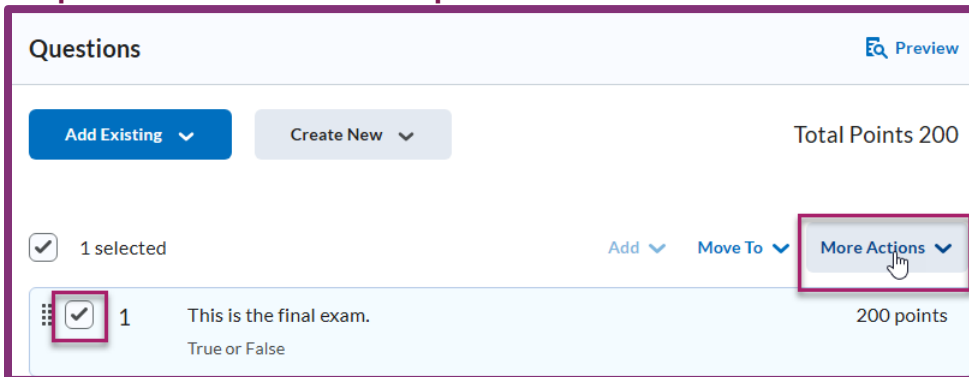

## Part 1. Create a Quiz

The first step is to create a quiz and add questions. Refer to the [Create a Quiz](#) video for steps.

Be sure the question has points, and the quiz is included in the Grade Book.

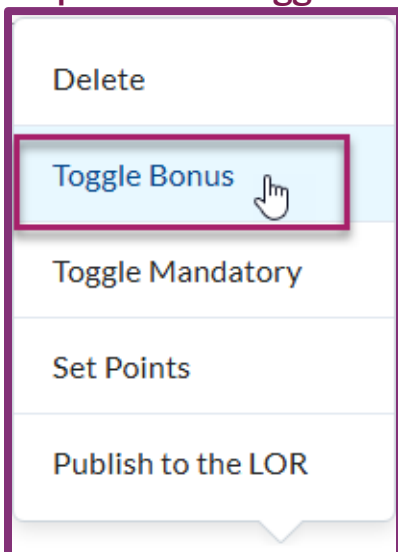

## Part 2. Make a Question Extra Credit (Bonus)

### Step 1: Select the desired question and choose More Actions.

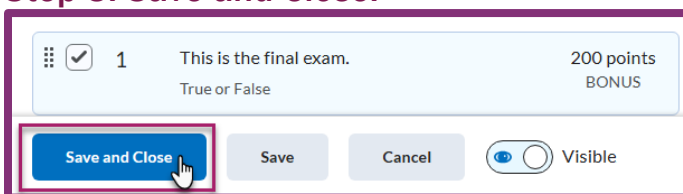

The screenshot shows the 'Questions' management interface. At the top, there are buttons for 'Add Existing' and 'Create New', and a 'Total Points 200' indicator. Below, a list of questions is shown. The first question, '1 This is the final exam. True or False 200 points', is selected. A 'More Actions' dropdown menu is open, highlighting the 'More Actions' button.

### Step 2: Select Toggle Bonus.

The screenshot shows the 'More Actions' dropdown menu. The options are: 'Delete', 'Toggle Bonus', 'Toggle Mandatory', 'Set Points', and 'Publish to the LOR'. The 'Toggle Bonus' option is highlighted with a hand cursor.

### Step 3: Save and Close.

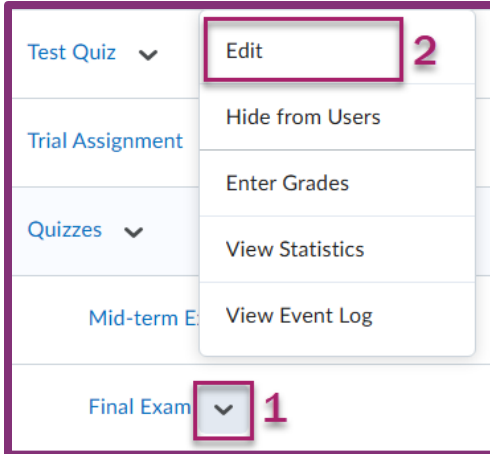

The screenshot shows the question editor interface. The question '1 This is the final exam. True or False 200 points BONUS' is displayed. Below the question, there are buttons for 'Save and Close', 'Save', and 'Cancel', and a 'Visible' toggle switch. The 'Save and Close' button is highlighted with a hand cursor.

## Part 3. Set Quiz to “Can Exceed” to calculate correctly

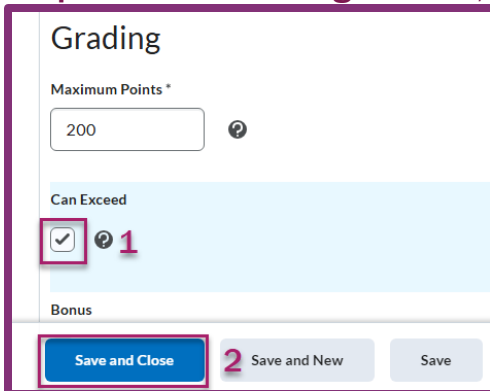

Step 1: Select Grades on the navbar and choose Manage Grades.

Step 2: Select the drop-down arrow for the Quiz (1) and choose Edit (2).

Step 3: In the Grading section, select Can Exceed (1). Save and Close (2).
