

Dear Student,

To enhance your learning experience and provide affordable access to the right course material, this course is part of an inclusive access model called Tri-C Textbook Program - Tri-C Books. You can easily access the required materials for this course at a discounted price, and benefit from access to course materials through the College's LMS (Learning Management System).

Cuyahoga Community College will bill you at the discounted price as a (Tri-C Books) fee. You will not need to purchase any additional materials; however, a low-cost loose-leaf print companion will be available for many courses should you desire to purchase a print copy through the bookstore.

It is NOT recommended that you opt-out, as these materials are required to complete the course. However, you can choose to opt-out through your LMS course by the deadline. You will then be responsible for purchasing your course materials at the full retail price and access to your materials may be suspended.
