* Students will be permitted to take upper division NURS coursework upon completing CHEM 10050, CHEM 10055, or CHEM 10060. Please speak with a Kent State University academic advisor for more information. For students who have completed BIO1100 with a grade of C or higher, the course will transfer to Kent State University as BSCI 1X000 (KBS, KLAB). An RN-to-BSN program advisor will substitute this course for the chemistry prerequisite requirement for those who have completed it at Tri-C with a grade of C or higher.

@ Course may be taken at Cuyahoga Community College and transferred to Kent State. However, please be aware of Kent State's residence policy, which can be found in the Kent State University Catalog. Once an associate degree is earned, additional courses taken at Tri-C may not be eligible for financial aid. Please see Financial Aid for details.
