

PROGRAM SPOTLIGHT SERIES: PUBLIC SAFETY IN AN EVOLVING WORLD

Public safety is rapidly changing, driven by new challenges, emerging threats, and technological advancements. This webinar will explore how our programs equip professionals with the knowledge and skills needed to protect communities and navigate this dynamic field.

Explore Our Public Safety Programs:

- Criminal Justice – Gain expertise in law enforcement, corrections, and the justice system.
 - Criminal Justice Law Enforcement Track - Qualifying students can earn 60 credits for police academy experience.
- Homeland Security – Learn strategies for preventing and responding to national security threats.
- Emergency Management – Develop skills to coordinate disaster response and crisis planning.
- Intelligence Management – Analyze data to support decision-making in security operations.
- Public Safety Administration – Lead and manage public safety organizations effectively.
- Specialized Certificates:
 - Crime Scene Investigation – Master forensic techniques and investigative processes.
 - NEW! Drones & Autonomous Systems (Launching Fall 2025) – Explore the latest technology in surveillance, search & rescue, and emergency response.

Stay ahead of the curve in public safety—join us for this insightful discussion!
