

# Discover Your Future as a **Fiber Optic Technician and Installer**

Stop by for an information session to learn more about  
Tri-C's Fiber Optic Technician and Installer program.

The Fiber Optic Technician and Installer program at Cuyahoga Community College (Tri-C®) is designed to meet the growing demand for skilled workers to install, operate, maintain and repair telecommunication networks for high-speed internet, television and phone services.

- **Short-Term Training:** Enter a high-demand field quickly.
- **Hands-on Learning:** Gain practical skills for real-world scenarios.
- **Industry-Recognized Certification:** Stand out with credentials that employers trust.
- **Job Placement Assistance:** Secure your place in Ohio's booming workforce.
- **Scholarships and Financial Assistance:** Launch a rewarding career with long-term stability.

**Monday, May 12**

**10 - 11:30 a.m. and 5 - 6:30 p.m.**
